MEMORANDUM TO: Rebecca Lambert
Office of the General Counsel

FROM: Michael T. Lesar, Chief / **RA** / **Signed by M T Lesar**
Rules and Directives Branch
Division of Administrative Services
Office of Administration

SUBJECT: REVIEW OF PART 7 FINAL RULE AMENDING FEDERAL
ADVISORY COMMITTEE ACT REGULATIONS (AH02)

The Office of Administration has reviewed the final rule amending 10 CFR Part 7 to conform with General Services Administration regulations. We have attached a marked copy of the package that presents our comments.

When this document is forwarded for signature and publication, please include in the transmittal package a 3.5-inch diskette containing the final rule in WordPerfect. This diskette will be forwarded to the Office of the Federal Register and the Government Printing Office for use in typesetting the document. Also, please include a copy of the Congressional letters on a diskette. This diskette will be forwarded to the Office of Congressional Affairs. The final rule package should also contain completed copies of the Congressional Review Act forms (GAO-001), available via InForms. Instructions for completing these forms can be found in the NRC Regulations Handbook (NUREG/BR-0053), Attachment D.

When forwarding this document for publication, please provide the ADAMS accession number for the final rule. Also, please give SECY owner's rights in the ADAMS security profile for the final rule document.

Once this document has been published in the *Federal Register*, a Regulatory History for the final rule must be created in ADAMS. In the ADAMS profile of each document included in the Regulatory History, enter the rule's Regulation Identifier Number (RIN) as the Case/Reference number (RIN 3150-AH02). This will facilitate the compilation of all relevant documents in an ADAMS package after publication of the Federal Register notice.

If you have any questions concerning this matter, please contact Michael T. Lesar, Chief, Rules and Directives Branch, ADM, at 415-7163 (MTL) or Victoria Voytko, ADM, at 415-6075 (VNV).
